------------------------	--

GENERAL

I have gained a wide variety of skills and experience in technical fields

I am a highly motivated individual, with open mind and hands on approach, who is able to demonstrate key strengths in people management, profitability and in delivering customer satisfaction.

I can work as part of a team and have the determination to succeed in challenging environments.

I believe that to get rewarded, you need to work hard, be prepared to do more than expected and above all, be serious when it is time to work

Key Strengths & Weakness

- > Good scheduler even in the most complex projects
- > Overlook the need to encourage others
- > Able to isolate myself from others if necessary
- > Takes a no-nonsense approach
- > Can work independently as well as in a team
- > Reliable and Punctual
- > Need no Supervision

1. SJM Ceilings and Renovations

Location of company	Honey Dew, Gauteng	
Type of company	PVC & SPC product Installer and General contractor	
Last position	Owner	
Period employed	02/01/2019 till present	
Duties	• Installation of PVC Ceilings, PVC Wall Panels, PVC Suspended Ceilings, SPC Flooring • Performing various alteration works, such as repairing existing infrastructures, plumbing, solving roof leaks, replacement of windows, etc. • Appointing of sub-contractors to perform tiling tasks on walls and floors for us when required. • Complete planning, and purchasing of materials required on projects • Recruiting, training & co-ordination of workers and sub-contractors • Implementation of advertising strategies through face-book and website • Advertising, contract compiling, liaising with clients and potential clients regarding quotations • Management of time schedules • Dealing with clients in a professional manner and provide advice and ideas to clients as and when they need it	

2. Fibre4Africa (Pty) Ltd.

Location of company	Randburg, Gauteng	
Type of company	Fibre Optic Splicing & Fibre Optic cable installers	
Last position	Sub Contractor	
Period employed	04/11/2019 till 01/12/2021	
Duties	• Locating and investigation on existing underground sleeves in complex infrastructure to find sleeves for new fibre cables to be installed. • Perform civil trenching, installation of PVC sleeves, and finishing off in cases where the infrastructure did not allow for Fibre cables, or where existing infrastructure were damaged. • Liaising with user client for permission to enter his home in order to get Fibre cable installed. • Installing Fibre Optic cable - Fibre To The Home (FTTH) • Handing over to Fibre4Africa for splicing after inspection by user client.	
Reason for leaving	Company closed doors and are no longer active.	

3. Fibre Force

Location of company	Midrand, Gauteng	
Type of company	Fibre Optic Cable installers	
Last position	Sub-Contractor	
Period employed	01/03/2018 to 14/12/2018	
Duties	I was responsible to perform the Fibre To The Home (FTTH) installation up to successful hand-over condition after inspection by user client.	
Reason for leaving	Contract was successfully completed	

4. INITEC

Location of company	Randburg, Gauteng	
Type of company	Fibre Optic Cable installers	
Last position	Site Supervisor	
Period employed	01/07/2016 to 15/12/2017	
Duties	Supervision tasks of site evolving the following: • Mark out and monitoring digging of Trenches • Installation of Hand Hole (HH) • Responsible to do the Fibre To The Home (FTTH) installation up to successful hand-over condition after inspection by user client. • Keeping the Site File up to date • Monitoring and inspections of the duct installations • Re-instatements of paving roads, etc. • Attending of kick off meetings • Handling of any site related issues	
Reason for leaving	I accepted higher income offer based on a single sub-contact agreement with Fibre Force.	

5. SJM Ceilings and Renovations

Location of company	Honey Dew, Gauteng	
Type of company	PVC & SPC product installer and General contractor	
Last position	Owner	
Period employed	01/08/2014 to 31/05/2016	
Duties	• Installation of PVC Ceilings, PVC Wall Panels, PVC Suspended Ceilings, SPC Flooring • Performing various alteration works, such as repairing existing infrastructures, plumbing, solving roof leaks, replacement of windows, etc. • Appointing of sub-contractors to perform tiling tasks on walls and floors for us when required • Complete planning, and purchasing of materials required on projects • Recruiting, training & co-ordination of workers and sub-contractors • Implementation of advertising strategies through face-book and website • Management of time schedules	
Reason for leaving	The idea to work for an employer instead of working for myself, never being free for relaxation was very attractive.	

6. DJ Construction

Location of company	Alberton, Gauteng	
Type of company	General contractors	
Last position	Site supervisor	
Period employed	01/10/2013 to 13/12/2013	
Duties	• Installing and removal of water meters • Also attended to all paper work, job cards, photo's, etc.	
Reason for leaving	Started own business working for myself.	

7. FNI

Location of company	Walkerville, Gauteng	
Type of company	Road Bore and Bullet contractors	
Last position	Bullet Installer	
Period employed	02/07/2012 to 28/06/2013	
Duties	• Duct Integrity Testing (DIT) • Bulleting under roads • Keep Site's Files up to date • Installing duct under road in prepared bullet hole • Handling of site related issues • Assorted Civil duties	
Reason for leaving	Handling bigger responsibilities was more appealing	

8. Omole Construction

Location of company	Vereeniging, Gauteng
Type of company	Electrical Contractor
Last position	Site Supervisor
Period employed	04/07/2011 to 29/06/2012
